

Two weeks ago I asked not to be called by this company and now I keep getting harassing phone calls from a company called Impressa Inc. The phone calls are normally a call and a hang up, about every 2-3 hours. It shows up in my caller ID as 602-453-0540. I hope after dialing their HQ at 866-991-0100 will be effective but I want to lodge a complaint also. I thank you for looking into this matter. My number is 410-969-3332.
